On water fishing instruction.

2.30 pm

Lunch and departure.

Please NOTE, the aim for the weekend is to give you as much instructional knowledge as possible.

I will be moving quickly through the theory, and we do plenty of practical on the water, however, should the weather stop us from proceeding, instruction will be done in the conference room.

Please bring with you wet weather gear, as we will still be fishing regardless of the weather, unless it is far too windy or torrential rain.
