WEEKEND

2017/18 dates to be confirmed
please call my shop on 02 64561551

This weekend has been set up for anglers that have had some tuition on fly fishing and would like a low cost guided weekend of fly fishing the beautiful Snowy Mountains area. Local conditions will determine what rivers or lakes are fished, but we should be able to cover at least 4 locations in the two days of fishing we have planned.

Lakes Jindabyne and Eucumbene as well as the Thredbo, Upper Snowy, Mowambah, Gungarlin, Eucumbene and the Murrumbidgee Rivers are all possible fishing locations depending on what is fishing the best.

On water fishing and casting instruction will be provided as will any necessary tackle that you might need. This is your chance to get some on water tuition and expert guiding by locals that know the area and local fishing conditions.

Steve Williamson, local guide and author of “Trout Fishing the Snowy Mountains” and “Fishing and Camping in the Snowy Mountains” will lead the party over the weekend.

COST – Please call for updated prices.

Accommodation can be arranged.

About the weekend-

This weekend is about helping you learn all about fishing the Snowy Mountains area.

I will be guiding you into my favorite spots, where you will learn all about the necessary methods, to suit the conditions of the day, used to catch trout in each location.

So many anglers come to the Snowies and go away disappointed with their results.

This is usually due to their lack of knowledge of the local fishing conditions.

Head guide of 'Lake Jindabyne Trout Fishing Adventures', Steve Williamson, has been fishing the mountains for over 45 years and guiding professionally for almost 29 years.

There is no other person more knowledgeable about local fishing conditions.

How much fishing will we be doing?

This weekend is all about fishing. We will start early on Saturday morning and will fish until 5pm. Sunday will be another early start but we aim to finish fishing at 1pm to allow those that are returning home to do so.

What experience do I need?

The weekend is all about guiding and instruction on the local waters. So long as you have been fly fishing previously you will have a great time and are guaranteed to learn a lot.

Instruction will be provided for those anglers that would like to improve their fishing techniques.

What do I bring?

Just bring your normal fly fishing tackle. If for some reason you do not own any gear, we will be able to provide all that will be necessary at no extra cost. This is also your chance to try out a few different rods as well. Don't forget your wet weather gear just in case.

Don't rush out and buy anything. We will provide flies and all terminal tackle at no extra cost.

Will accommodation be provided?

This special price requires you to arrange your own accommodation.

We can however help with packages at 4 star luxury resorts to camp sites.

What about meals?

While you are being guided, all refreshments and lunches are included in the price.

How do I go about booking?

Due to the limited number of people each weekend, 50% deposit will be required to secure your position and full payment is required 14 days prior to the weekend.

Please fill out a booking sheet with all of your details and return it to –
